

Welcome Teams,

To help get food to you quickly we have provided you with order forms from local restaurants that are willing to deliver boxed lunches right to you. You will notice delivery times are staggered in order to lessen congestion. You may place an order directly to the restaurant or place the order with me. Payment is due upon ordering.

Please be sure to specify your team number and date you want the food delivery. This means you do need to create two order forms for each day of the competition.

Food trucks will be available outside in the Penn parking lot for spectators and parents from approximately 11-3 both days. Do not rely on the food truck to feed the team as the food trucks will be limited on food. Please note that some food trucks are CASH ONLY.

Concessions stand will be open to serve drinks and snacks.
